

RTS23 Wall switch 2x ON/OFF

Format 55

The RTS23 wall switch from the Format 55 series is a battery-operated Easywave transmitter.

This complete version of the RTS23 wall switch contains all the components required to be put into operation immediately. The transmitter module, a white frame and white double rockers are included in the scope of delivery.

Additional individual rocker variants are also optionally available in other colors as accessories. If necessary, the wall switch can be used in cover frames of other manufacturers (see compatibility list).

The RTS23 is usually used to switch lighting with 2-button operation.

RTS23E5004A12
